So many adventures,
so many stories.
Living in Motion is not just a philosophy at Adria, it’s a way of life. We believe that travelling enriches the soul and provides a narrative to our ever more hectic daily lives. For season 2020, we have an entirely new generation of campervans, all designed with adventures in mind. Designed and manufactured at our state-of-the-art production facilities, supported by class-leading warranties and over 500 Adria dealers across Europe and beyond, the Adria badge is your assurance of quality on your travels. All of our campervans are designed for living and designed to perform.

So many adventures, so many stories to be enjoyed.

Sonja Gole, General Manager, Adria Mobil.

Why choose Adria?

There are, of course, many brands to choose from, but the reasons for choosing Adria have never been so compelling.

**PASSION & EXPERIENCE**
Adria has been designing and manufacturing leisure vehicles for over fifty years.

**INTELLIGENT DESIGN**
Adria leads in intelligent design, technology, construction methods and materials.

**WORLD-CLASS MANUFACTURING**
The most advanced production facilities in the industry, ISO 9001, 14001 & EFQM 5 star certified for business excellence, quality management & environmental standards.

**QUALITY**
Adria Campervans have a reputation for quality, reliability and durability using proven automotive manufacturing techniques. We make most of our own furniture and quality control the entire vehicle manufacturing and testing process.

**PEACE OF MIND**
Adria Campervans come with a class-leading warranty and over 500 Adria dealers across Europe and beyond, with a world-class parts supply and aftersales service.
2020 Season highlights

NEW GENERATION CAMPERVANS
Adria. Always innovating. Our new generation campervans offer the latest Euro6 engines and upgrades from Fiat, Citroen and Renault integrated with our new interiors and new layouts, including all-new Twin Axess models and new Active Multi-Purpose Camper.

ADRIA EXCLUSIVE FEATURES

MORE COMFORT
New lighting, new ambiance, new mattresses and new soft furnishings.
NEW ACTIVE
New for this season, the Active Multi-Purpose Camper on the Renault Trafic, gets a full makeover with an all-white body, new graphics, more interior space and new interior design.

NEW TWIN AXESS
The entry level Twin Axess joins the new generation range, with contemporary new interior and innovative features, built on the Citroen Jumper.

AWARD-WINNING CAMPERVANS
The new generation Twin Supreme earned the highest independent accolade, a European Innovation Award in 2019, for its design.
Vans
Escape the ordinary in our award-winning new Twin campervans. Featuring the exclusive Sky-roof, Sky-lounge and cabin-loft space design, with a choice of interiors and soft furnishings. High specifications, including innovative kitchen, bathroom and storage solutions. Available in Supreme, Plus and new Axess models with up-to 13 layouts, sleeping up-to 4 people.
TWIN RANGE

vans
DETAILS MATTER. Our campervans are designed for living where the details matter and every centimetre counts. The science of layouts and construction, so that everything is in the right place, is learned over decades and Adria brings this experience to every layout. For this season we have also redesigned all internal lighting and improved the comfort of our mattresses & seating.

1 | LIVING
Contemporary new interior design and spacious living. A wide choice of new layouts, furniture and textiles complemented by new lighting design and new soft furnishings.

2 | KITCHENS
Intelligently-designed new kitchens based on ergonomic principles, with style and functionality, matched with the best appliances and quality, soft-closing drawers.

3 | BEDROOMS
A wide choice of new layouts and sleeping solutions. Easy access beds with optimised dimensions, new design lighting and with new more comfortable mattresses. Optional extra bed in the dinette.

4 | BATHROOMS
Bathroom solutions with more space and quality fittings, in Compact, Ergo, En-suite and Duplex ‘swivelling wall’ formats.

5 | STORAGE
Large garages and optimized storage throughout, with storage places for all the things you need.

6 | MULTI-MEDIA
Smart living solutions including intelligent TV placement and digital controllers.

*Some features may not be available on all models. Please check www.adria-mobil.com for individual model specifications and technical details.
The new generation Twins are based on the acclaimed Fiat Ducato and Citroen Jumper, with high specifications, inside and out.

Designed to perform

360° WALKTHROUGH
Step inside, take a 360° Walkthrough on www.adria-mobil.com
WE DO THINGS DIFFERENTLY

There are many brands of campervan available but choose an Adria where everything is meticulously designed, developed and tested to ensure your safety, comfort and enjoyment. Designed to perform with ten key reasons why we do things differently.

1. INTELLIGENT DESIGN
Designed with seamless integration of interior space and a wide choice of new contemporary interiors, layouts and exclusive features.

2. BASE VEHICLES
Perfect integration with the base vehicle, with the latest Euro6 engines from Fiat and Citroen or choose the new Active MPC, featuring the latest Renault Trafic with latest Euro6 engine. All vehicles with a choice of driver aids.

3. BODY CONSTRUCTION
Strong and robust body construction with a 7 year Water Ingress Warranty.

4. HEATING
Truma heating (with optional Webasto on selected models) and Alde heating only on Supreme 640 SLB model. Heated and insulated waste water tank also available.

5. INSULATION
Adria’s ‘Thermo-build’ standards, with the best insulation materials, sophisticated air flow management and heating. Vehicles tested in our own climatic chamber.

6. AIR-FLOW
Adria’s sophisticated Air-Flow System means every vehicle has integrated air-flow and ventilation designed in.

7. WINDOWS & DOORS
Adria exclusive new Sky-roof windows on Twin Supreme models. All windows and doors are integrated for optimum lighting, ventilation, privacy and security.

8. FURNITURE & STORAGE
Craftsman built cabinetry integrated with heating and air-flow for optimum thermal efficiency. Plenty of flexible storage in every vehicle too.

9. COMFORT
The combination of contemporary interior design, optimized space, functionality and ergonomically designed living spaces, with new-design lighting.

10. CUSTOMER SERVICE
Class-leading 2 Year General Warranty and 7 Year Water Ingress Warranty as standard, a dealer network of over 500 dealers and an efficient after sales parts service, with roadside assistance, where provided by the basic vehicle manufacturer.

*Some features may not be available on all models. Please check www.adria-mobil.com for individual model specifications and technical details.
CLIMATE CONTROL

Adria Twins can be used all year round and offer Truma heating, combined with Adria ‘Thermo-build’ standards of insulation and air-flow management for perfect comfort.

INSULATION. All Adria campervans are built to our ‘Thermo-build’ standards with advanced insulation materials, heating design and air-flow with no ‘cold spots’ and a pleasant controllable comfort, all year round.

AIRC-FLOW MANAGEMENT. Adria’s integrated Air-Flow System for ventilation and the optimum circulation of air, cooling and heating.

AIR-CONDITIONING. Adria Twins can also be ordered with factory or dealer fit air-conditioning options.

HEATING. Optimized heating efficiency with precise engineering and cold-chamber testing ensuring all season use. Truma heating, Alde heating on Supreme 640 SLB, plus optional Webasto on selected models. You can also order optional electrical floor heating on selected models.

*Some features may not be available on all models. Please check www.adria-mobil.com for individual model specifications and technical details.
