No Licenses

The Adria Mobil has thought to achieve an innovative and informative Internet site. We hope that you will be as enthusiastic as we are about this creative effort. However, you also need to understand that the Adria Mobil must protect their Intellectual Property, including their patents, trademarks and copyrights. Accordingly, you are hereby on notice that neither this Internet site, nor any material contained therein shall in any way grant or be taken to grant any person a license to the Adria Mobil's Intellectual Property.

Data protection

Data protection and data security are important to us. Your data is collected in accordance with the relevant legal requirements. When using our services you may be asked to supply personal data. Providing this information is voluntary. Processing and using your data for consultation, advertising and market research purposes only takes place with your explicit consent. If, when giving your consent to the purposes stated above, you also give your permission for your data to be used Adria Mobil company, your data may also be transferred to these parties. If this is not the case, your data will not be transferred to any other parties. You can withdraw your consent for future actions at any time.

Detailed information is available on the consent form shown to you while subscribing to our marketing services.

Right to information

In accordance with legislation, you may ask for information regarding whether data is stored and, if so, what data is held relating to you personally or your pseudonym at any time and free of charge.

Deleting and correcting data

On request, we will of course immediately delete or correct any data that we have on you in accordance with the relevant legal requirements. In such case, please contact us on e-mail address: info@adria-mobil.si

User data

When you visit our online pages, your IP address, the website which referred you to us and details of the web pages that you

visit on our site will be automatically saved, together with the date and duration of your visit, for statistics purposes only. No personal connection is made with this data. A statistical evaluation of this data is carried out in an anonymous format only.

Use of cookies

Data is collected and saved for marketing and optimization purposes on this website. Cookies may be used for this. Cookies are small text files that are saved locally in the cache of the site visitor's Internet browser. Cookies enable the Internet browser to be re-identified. Data collected will not be used to identify the visitor to the website personally without their prior consent and will not be merged with personal data relating to the person to whom the pseudonym refers. You may withdraw your consent for data to be collected and saved in the future at any time.
